CLARE COUNTY COUNCIL

CLIFFS OF MOHER

PROJECT ONGOING PROJECT

VISITOR CENTRE

Management, staff and tenants at the Atlantic Edge Visitor Centre are working together to reduce the impact of the centre on the local environment. The centre attracts over 1 million visitors per year so integral to this project is visitor involvement.

Prevention initiatives underway include:

- Food waste prevention initiatives for the Long Dock Restaurant & Puffins Nest Café
- Trial underway of compostable catering products to reduce waste sent to landfill
- Green Team established to encourage source segregation, water & energy conservation
- Awareness programme for visitors about the Centre's Resource Efficiency Measures including visitor involvement in waste segregation, installation of energy efficient hand driers, water harvesting, reducing Food Miles by sourcing local foods & drinks, use of eco cleaning products
- Capacity Building with staff, tenants and visitors
