# Roscommon Repair & Reuse Directory

Waste Prevention is one of the main principles of the current Connaught Ulster Regional Waste Management Plan.

Roscommon County Council has compiled the 2nd edition of the Repair and Reuse Directory to encourage people to reduce consumer consumption by promoting the repair of household items rather than disposing of them, thereby reducing waste generation.

Roscommon County Council would like to acknowledge the assistance of the following groups in collating the repair services contained within this directory:

- Ballintubber Tidy Towns
- Castlecoote Tidy Towns
- Roscommon Tidy Towns
- Roosky Tidy Towns
- Strokestown Tidy Towns

**Roscommon County Council does not advocate or endorse any listing. Prior to using any service, please ensure that you are satisfied with the service provider's relevant experience, authorisation and liability cover.**
