

Cobh Zero Waste – Highly Commended

Cobh Zero Waste has been carrying out a broad range of actions in the area of sustainability for a number of years.

Some of those recently carried out include:

- Cobh Environment Schools Committee Conference to share ideas and learnings across 6 schools in the town;
- Quantifying how many students had reusable water bottles in the schools in the town;
- The Cobh reusable coffee cup campaign;
- A zero waste stall at a farmers market which supplies cleaning supply refills.

Various other initiatives carried included:

There were various workshops held, and events like a number of seasonal clothes swap events.
